

First Announcement

Welcome

Following the success of a 2013 AGU Fall Meeting special session entitled "Frontier Science from Extended Continental Shelf Studies", the Institute of Oceanography, National Taiwan University (NTU) will host the Frontier Science from Extended Continental Shelf Studies International Symposium at the Shih-Liang Auditorium, NTU, Taipei, Taiwan on Dec 3, 2014. This one-day symposium will provide a platform for scientific discussions on some recent advances in the extended continental shelf studies in the South China Sea, East China Sea, the Arctic areas and other parts of the world. The symposium program will include keynote speeches, invited and contributed talks and a poster session. We cordially invite you to contribute and/or participate in this symposium, to exchange your research ideas and to develop collaboration with other researchers on extended continental shelf studies. Please inform your colleges about this symposium.

Keynote Speakers

Chao-Shing Lee

Institute of Applied Geosciences, National Taiwan Ocean University

WenZheng Lu

The Second Institute of Oceanography, State Oceanic Administration

Larry Mayer

School of Marine Science and Ocean Engineering, University of New Hampshire

Walter Roest

Institut Français de Recherche Pour L'exploitation de la Mer (IFREMER)

Organization Committees

Char-Shine Liu (Committee Chair)

Institute of Oceanography, National Taiwan University

Shing-Li Chen

Department of Land Administration, MOI

Shu-Kin Hsu

Institute of Geophysics, National Central University

Chao-Shing Lee

Institute of Applied Geosciences, National Taiwan Ocean University

Shen-Chung Lo

Green Energy and Environment Research Lab., ITRI

Registration

- Symposium

The symposium will be held on December 3, 2014 in the auditorium of Shih-Liang Hall (N28), NTU, Taipei, Taiwan. The address is No. 1, Sec. 4, Roosevelt Road, Taipei, Taiwan. Please find more information on the website at:

<http://refseis.oc.ntu.edu.tw/FSECS2014/eng/map.html>

- Language

The official language of the Symposium is English.

- Electronic Registration

Registration for the symposium will be available electronically on the conference web page and close on November 26, 2014. Due to the limited number of seats available, the numbers of attendants are limited to 120 on a first come first serve basis. Please find more information on the symposium website at:

<http://refseis.oc.ntu.edu.tw/FSECS2014/eng/index.html>

Participation of this symposium is free.

- Symposium Secretariat/Contact

Correspondence/Question should be sent to:

Mr. S.P. Chang (Symposium Secretary)

E-mail: sjlu316@gmail.com

Hosts

- National Taiwan University
- Ministry of the Interior

Co-Hosts

- National Central University
- National Taiwan Ocean University
- Ocean Center, National Taiwan University
- Chinese Taipei Geophysical Society
